I love you smiling, laughing, tainting not my process, maturing all in love, laughter, and folly none; fattening my calves for slaughter, not; but royalty making them/leading them into fields of only me/us.

11. We love you all. We love you all. We love you everywhere wherein wherever you are/happen to be/find yourself now in the now that son of man comes forth son of God; always was; now all know, they are.

Sunday was church and Fran-Paul. Monday I came to London. From Monday afternoon until now I've been finishing JTP and today, Thursday, began The New Covenant booklet.
